2017-2018
Roosevelt University softball welcomes girls in grades 1st through 8th to participate in our inaugural year of Laker Buddies, our new pen pal initiative. The girls do not need to be softball players to join! The program provides an opportunity for our student-athletes to be consistently involved in the community, as well as be a positive influence on their Laker Buddy. Laker Buddies are also able to connect with their pen pal from the softball program on a more personal level. Our Laker Buddies will get the chance to experience the game of softball played by their mentor, while also enjoying special program benefits. The Laker Buddies program runs from September through April. We encourage you to join and even bring a friend! If you have any questions, please email Coach Aaron Moore at amoore39@roosevelt.edu.
